Job Description

Are you struggling to fit a part-time job around other commitments? Maybe you have another role and need to increase your income? Or newly retired and looking for a way to give back?

Our clients need your support around the clock. This means our CAREGivers can work early mornings, late evenings or weekends depending on their availability. The times you are available to work could be the times we need you the most! Whether you have 5 free hours a week or 16, as long as your availability is consistent week in, week out we are able to match you with our wonderful clients and get you out in the community caring for others.

At Home Instead, we do things a little differently. All CAREGiver/Client relationships are pre-matched meaning you will see the same smiling faces week in week out. Visits are always a minimum of an hour long too, meaning there's plenty of time to build meaningful friendships. As the saying goes, love your work and never work a day in your life!

If you are looking for a part time role (approximately 16 - 20 hours), please apply below.
