Carpenter / Construction / Construction Carpenter

The Recruitment Group is proud to be working with a fantastic Construction company, we are looking for a carpenter and you'll be reporting into a Site manager and be based full time on site.

Main duties and responsibilities of an Carpenter:

- . The projects that we carry out include refurbishment of historic buildings and new build projects.
- . You will be responsible for delivery of carpentry tasks reporting to our Site Manager.
- . The role is site based.
- . Working on all phases of a construction project which are managed internally from set up to completion.
- . The role will provide a high degree of satisfaction from completion of a wide range and number of projects.

Experience/knowledge requirements for an Carpenter:

- . Keen interest in construction and carpentry.
- . Has a accredited carpentry apprenticeship
- . Takes a pride in their work and is able to work to the standards set.
- . Ability to read drawings.
- . Will have good maths skills and ability to take measurements.
- . Ability to communicate verbally and in writing with colleagues, clients and consultants.
- . Likes a project based working environment.
- . Works well in a team.
- . Self-motivated, forward thinking and punctual.

Benefits for an Carpenter:

- . 20 Holidays + Bank Holidays - rising with service.
- . Company Pension
- . Employee owned company

If you are interested in this position please contact Clarissa @ the recruitment group
