Company: Greycoat Lumleys

Location: Silverstone

Category: other-general

Greycoat Lumleys are proud to be working exclusively with Escapade, which is a 5\* hotel situated on the track at Silverstone. This is a pre-opening and opening and an incredible venue to be working with. They require passionate, motivated individuals, who love what they do and really want to be part of such an amazing opportunity. We are recruiting for a number of positions, and Chefs de Partie are one of them! We are looking for a team of amazing Chefs de Partie, who come from a 4\* or 5\* background to work in this state of the art kitchen. This is a key role and a major player in the kitchen. Additionally, you must have a passion for hospitality and 5\* service, whilst performing your job to the highest level. This is a six month role at first, starting at the end of April and is part of a pre-opening, so it's a super fun venture to be part of, but you must be resilient.

As this site is rural, you **must** be a driver or have access to a car. There is no public transport nearby.

Benefits:

Working at an amazing venue

Being a part of a pre-opening never seen before

Tickets for the events and access to certain areas

Working with an incredible team

Huge opportunity for learning and development

Duties:

Preparing and cooking high-quality dishes according to the recipes and standards set out by the site.

Ensuring the ingredients used are fresh, measured correctly and handled in accordance with food safety regulations.

Maintaining high standards of food quality, taste and presentation throughout the entire menu.

Performing regular taste tests and inspections to ensure the dishes meet the standards set.

Collaborating with the culinary team to develop and test new dishes.

Setting up work stations with the necessary tools, utensils and ingredients.

Assisting Chefs in food preparation, retrieving and stocking kitchen supplies as needed.

Assisting in monitoring and controlling inventory for your section.

Collaborating with the Head Chef and Sous Chef to create amazing menus.

Ordering supplies and ingredients with the Sous Chef.

Communicating effectively with the kitchen staff to ensure a smooth and efficient workflow.

Reporting any kitchen maintenance to the Head Chefs.

Adhering to food safety and health and safety issues, including proper handling of COSHH.

Maintaining kitchen cleanliness, whilst adhering to food safety and health and safety requirements.

You:

Have a passion for hospitality

Want to be part of something really exciting

Come from a 4\* or 5\* background

Love food and are passionate about good quality ingredients.

Are super organised and have the ability to work within the team or on your own

Have high standards and don't compromise on quality

Possess a can-do attitude and get on well with others

Are excited for your future and could see yourself working somewhere like this

Maintain impeccable grooming standards

Consider yourself to be highly organised and discreet.

Will provide dedicated personalised support to the guests.

Have exceptional communication skills, attention to detail and the ability to anticipate and fulfil the unique needs of high-profile individuals.

**There will be further details on request.**
