****Chartered Building Surveyor required to join the rapidly expanding Belfast Office of a Global Consultancy***

Your new company

Hays are working with a leading multidisciplinary construction consultancy, operating across Building Surveying, Quantity Surveying, Project Management. This organisation has recently opened a new office in Northern Ireland and actively seeking to strengthen their Building Surveyor in Belfast. Focussing on sectors such as Commercial, Residential, Education, Sports, Government & Retail and due to the ongoing expansion of their team and workload, a position for a Chartered Building Surveyor has become available.

Your new role

This reputable Construction Consultancy seeks a Chartered Building Surveyor to join their recently established and rapidly growing office in Belfast. This position encompasses all the technical aspects of a Building Surveying role as well as developing and maintaining the relationships between new and existing clients. Additionally, you will be responsible for the leading the Project Management & Contracts Administration of the same schemes & reporting to the Associate Surveyor.

What you'll need to succeed

To be considered for this position you should possess a degree qualification in Building Surveying or equivalent with 2-3 years post graduate experience. You should have an understanding of Building Surveying within a construction consultancy. Ideally you should be MRICS as well as possessing excellent client facing skills. It is expected that suitable

candidates would have a minimum of 1 years' experience since obtaining Chartered status however exceptional candidates with lesser experience shall be considered.

What you'll get in return

The chance to work with a large well-established team of professionals with an exciting diverse portfolio of projects. Excellent career progression opportunities alongside a highly competitive basic salary will be offered to the suitable candidate.

What you need to do now
