Company: Holiday Inn London-Shepperton

Location: Shepperton

Category: other-general

Are you a Chef de Partie, a strong Commis Chef or a Demi Chef de Partie? We'll hedge a bet that you're able to spin 100 plates at once, not literally – of course, but you're someone who thrives under pressure and embraces change.

As clichéd as it sounds, you'll believe that delivering memorable experiences really is all about the small details. How will you do this? Well, you'll make sure your regular Sunday customer, Arif, gets those two pots of gravy instead of one; or you'll perfect an exciting new specials dish that Jessica thinks is super Instagramable, as soon as it's put in front of her.

What you'll be doing as a Senior Chef de Partie

Preparing, cooking and presenting dishes in your area of responsibility – following specifications to ensure your Head Chef and Sous Chef can quickly send out meals to a high standard

Supporting your Head Chef and Sous Chef in producing a range of specials that enable you to put your spin on things

Ensuring Chefs stations are well stocked with anything they may need throughout service

Managing and developing any Commis Chefs in your hotel – sharing your knowledge and expertise

Ensuring you and your team deliver high standards of food and health and safety regulations – it's not just our customers we want to make smile!

What'll make you a great fit for this Senior Chef de Partie role

You'll already be an established Chef de Partie or a senior Commis Chef seeking their next challenge

You'll have outstanding cooking skills gained within a fast-paced environment, but where exactly we are open to all backgrounds and experience

You will be creative and have a passion for creating profitable and exciting specials
