Company: Bennett & Game Recruitment

Location: Peterborough

Category: life-physical-and-social-science

Chemist required. My client is a leading manufacturer and supplier of Pyrotechnic solutions to the events and entertainment industry. They are now looking to hire an experienced Chemist to join their established team in Peterborough. The ideal candidate will come from a Chemical laboratory background, will be skilled in document writing and compliance operations, will be degree qualified in Chemistry and will be based within a commutable distance of Peterborough.

Chemist Position Overview

Design and develop new pyrotechnic products for a variety of shows, tours and events

Creating samples for both clients and certification purposes

Writing documentation to secure CE, American and Canadian certification for new products

Ensuring all products meet international safety and quality standards

Refining existing products for manufacturing efficiency

Updating and standardising working instructions

Regularly auditing products to ensure they meet performance and quality criteria

Chemist Position Requirements

Batchelors degree in Chemistry or equivalent field

Previous experience in Laboratory and production environments

A background in either Pyrotechnics or Chemical Engineering would be advantageous

Skilled in writing documentation for certification and compliance with international standards

Based within a commutable distance of Peterborough

Chemist Position Remuneration

Salary £35,000 - £40,000 DOE

Monday - Thursday, 08:00 - 16:00, Friday 08:00 - 15:00

28 days annual leave inclusive of bank holidays

Pension
