

Childrens hospice nurse

[Apply Now](#)

Company: The Wise Seeker Services

Location: London

Category: healthcare-practitioners-and-technical

At The Wise Seeker we are actively seeking candidates to join a leading company in pediatric palliative care at Noahs Ark Childrens Hospice. Our expert staff and trained volunteers provide clinical emotional and practical support for families across North and Central London and Herts Valley. We are dedicated to improving the lives of seriously unwell children and their families providing specialized care and nursing services in a supportive and inclusive environment.

Location: North London nature reserve Barnet

Functions

As a Childrens Hospice Nurse (Band 5) at The Ark you will be part of the Specialist Care Team responsible for providing care to seriously unwell babies children and young people. Your duties will include:

Caring for children staying at The Ark and those visiting for daycare

Providing support to children in their family homes and community settings

Collaborating with multidisciplinary teams to meet the full clinical emotional social and practical needs of patients and families

Utilizing excellent clinical and communication skills to deliver high quality care

Participating in the growth and success of Noahs Ark Childrens Hospice

Requirements

The ideal candidate will possess the following qualifications and attributes:

Minimum of 2 years experience as a Registered Nurse at Band 5 level

UK Driving license and own vehicle required for commuting to site and occasional on call visits to family homes

Excellent clinical and communication skills

Creative and compassionate approach to pediatric palliative care

Ability to work collaboratively in a multidisciplinary team

Commitment to making a positive difference to seriously unwell children and their families

Benefits

Pension plan

On site parking

Commission based salary structure

Permanent position with opportunities for growth and development within the organization
