Job description

Civil Engineer / Senior Civil Engineer - Nottingham - Up to £45k

Our client, a leading infrastructure design consultancy, specialising in highways and drainage work, is currently seeking a Civil Engineer/Senior Civil Engineer for their Nottingham office. This is a permanent position to join a well established design team, with a salary of up to £45k, depending on experience.

About the Role

As a Civil Engineer/Senior Civil Engineer, you will be responsible for detailed highway design, including S278 and S38, as well as earthworks and drainage, including S104 and S106. Experience using Civil 3D and Microdrainage is essential for this role.

You will have the opportunity to work on a variety of interesting projects and contribute to the growth and success of the company.

Key Responsibilities

detailed design of off-site highway works of all types, including grade separated junctions

Undertake detailed highway design, including S278 and S38

Manage earthworks and drainage design, including S104 and S185

Utilize Civil 3D and Microdrainage for design and analysis

liaison with utility providers about plant diversions and costs

ground modelling and 3D design

foul and surface water drainage strategies and detailed design to roads and sewers
adoption standards

Collaborate with project teams and provide technical expertise

Prepare drawings, calculations, and reports

Ensure designs comply with industry standards and regulations

Monitor project progress and provide regular updates

Contribute to the development and training of junior staff

Job Requirements

Minimum of 5 years of experience in civil engineering

Significant experience in detailed highway design, including S278 and S38

Strong knowledge of earthworks and drainage design, including S104 and S185

Proficiency in using Civil 3D and Microdrainage software

Understanding of relevant industry standards and regulations

Excellent problem-solving and communication skills

Ability to work effectively in a team environment

Chartered or working towards chartership (preferred)
