

Civil Technician

[Apply Now](#)

Company: Carrington West

Location: Leeds

Category: other-general

My client are an energetic engineering consultancy who provide services to the construction industry, developers and local authorities.

They undertake a wide variety of work including drainage design, highway and external works design, structural design, structural surveys, flood risk assessments and hydraulic modelling. They are looking to recruit a Civil Technician to join their team, based in the Leeds office.

The Role:

- Experience within the house building sector
- Understanding of approval processes including S104, S38 and S278.
- Ability to work with other design team members and clients in the design process.
- Appropriate qualification in civil engineering.
- Excellent written and oral communication skills.

Your Experience:

- Educated to a ONC/HNC or Degree level in Civil Engineering.
- Previous experience in the civils sector.
- Excellent report writing, communication and numerical skills required.
- Proficient in the use of AutoCAD, with experience at AutoCAD Civil 3D preferably.

The Package:

- Competitive salary.
- Workplace pension.

- Training and Development.
- Sponsorship of Professional Membership.
- Medical Insurance.
- Annual bonuses, subject to performance.
