TBS Engineering UK

Come join a team where People make the difference! As a part of Marmon Holdings, Inc., a highly decentralized organization, we rely heavily on people with the aptitude, attitude, and entrepreneurial spirit to drive our success, and we're committed to attracting and retaining top talent.

Produces machined parts using a Computer Numerical Control (CNC) lathe machine. Interprets work orders, blueprints, engineering plans, materials lists, specifications, reference planes, locations of surfaces, and machining parameters. Checks machine on an ongoing basis to ensure accuracy of settings. Typically has 3-5 years of experience and works under broad supervision. Produces machined parts using a Computer Numerical Control (CNC) lathe machine. Interprets work orders, blueprints, engineering plans, materials lists, specifications, reference planes, locations of surfaces, and machining parameters. Checks machine on an ongoing basis to ensure accuracy of settings. Typically has 3-5 years of experience and works under broad supervision.

Following receipt of a conditional offer of employment, candidates will be required to complete additional job-related screening processes as permitted or required by applicable law.
