CNC Operator Wanted for Major Automotive Supply Chain Business

Are you an experienced CNC Operator looking for a new opportunity? Our client, a crucial player in the supply chain of a major Automotive business, is seeking a skilled CNC Operator to join their team.

**Role Overview:** As a CNC Operator, you will play a vital role in ensuring precision and efficiency in machining processes. Here are the key responsibilities:

**Qualifications and Experience:**

Ideally, you should have formal qualifications in Mechanical Engineering or Machining. However, if you have relevant experience in a similar role, formal qualifications are not essential.

Previous experience as a CNC Operator in a high-precision environment is highly desirable. Comfortably handle the demands of a fast-paced machining environment. **Technical Skills:**

Familiarity with mechanical inspection tools, including micrometers and verniers, is advantageous. **Working Hours:**

40 hours per week.

Monday to Friday, 8am to 4:30pm **Compensation and Benefits:**

Hourly rate of up to : £12ph (equivalent to £480 per week or £24,960per annum, pro rata)

Experience dependent.

Plus team and individual performance based bonus scheme

Holiday entitlement: 28 days per annum, pro rata.

Temporary employment with potential to go Permanent

Join the team and contribute to the precision engineering that drives the Automotive industry forward!

Feel free to share this revised job advert with potential candidates. If you have any additional requirements or need further assistance, don't hesitate to ask!

How to Apply: Interested candidates can apply by clicking Apply Now and attaching their CV. Alternatively, feel free to reach out to Sam Procter at E3 Recruitment for further details.
