We need a highly skilled CNC Turner to programme, set and run CNC machines with Fanuc based control systems. To be suitable for this vacancy you will have gained a recent apprenticeship or hold a high level of experience in machining. We are able to be flexible on salary for the right applicants.

Who are we?

We are Busy Bee Recruitment, an awarding-winning recruitment agency supplying both temporary and permanent staffing solutions throughout the UK to our client base spanning multiple sectors including: Sales & Marketing, Admin & Customer Service, Technical & Engineering, Industrial & Manufacturing, Finance & Accountancy, Care & Education, Supply Chain & Logistics.

What our client offers:

- \* Flexible working – 37.5 hours over a 4-day working week
- \* 24 Hour wellbeing support
- \* Training and development opportunities
- \* Enhanced pension Scheme

What we are looking for:

- \* Set up and operate CNC turning machines to produce high-quality components
- \* Interpret technical drawings, blueprints, and specifications to determine machining operations and requirements
- \* Set and prove cutting tools, fixtures, and attachments for each job
- \* Responsible for overseeing the first off inspections
- \* Monitor machine operations to ensure proper functioning and make necessary adjustments as needed
- \* Inspect finished parts using precision measuring instruments to ensure adherence to specifications

\* Troubleshoot and resolve any issues that may arise during the machining process

\* Perform routine maintenance on CNC turning machines to ensure optimal performance

If you have not received a response within 3-5 working days, unfortunately your application has been unsuccessful. Busy Bee Recruitment Ltd is acting as an Employment Business for this Temporary vacancy
