Company: Chase and Holland

Location: Malton

Category: other-general

Commercial Finance Manager – Malton - £55,000 - £65,000 & Car Allowance

Chase & Holland have an excellent opportunity for a Commercial Finance Manager to join an innovative, forward-thinking business based in North Yorkshire. Our client has experienced rapid growth in recent years and need a Commercial Finance Manager to join their finance team, reporting directly into the Head of Commercial Finance. This is a fantastic time to get involved with a business at the forefront of their industry.

In return you'll receive:

Salary up to £65,000 (dependent on experience)

Car allowance

10% Bonus

Generous holiday entitlement

Exceptional career development opportunities

Fantastic company benefits

Commercial Finance Manager responsibilities:

Business partnering, decision support and performance delivery

Support and drive the Commercial team on tenders / promotions / competitive steal and business planning

Inflation management and driving appropriate actions to recover through the sales team

Identify opportunities to improve margin through pricing, and product development

Evaluation of new range and promotional plans

Customer margin management, providing insight & challenge

Sales Margin management – analysis and driving action to improve

Provision of timely and accurate facts with balanced and insightful information

Improving commercial insight and analysis

Providing ad-hoc reporting and financial modelling, giving insight to support the commercial agenda

Required skills & experience:

You will ideally be a qualified ACCA/CIMA accountant or finalist level studier

You will possess experience of financial analysis & reporting within a large turnover business

Passionate business partner, able to explain the numbers clearly to Non-Financial Managers

Strong interpersonal and IT (especially Excel) skills are essential

Ideally have experience within FMCG/Retail/Manufacturing

Be a dynamic, driven and development focused individual

This role would also suit an experienced Management Accountant who is passionate about moving into a commercial setting
