Commercial Gas Engineer - Based in Bristol

£42000-£45000 + Van + + Bonus + Benefit

Are you looking for a role where you get to work in the Bristol/Cardiff area?

Are you looking to gain new qualifications?

Our client a specialist in the Facility Management sector working on commercial sites in the South-West area are looking for a Commercial Gas Engineer to join an existing team and carry out PPM, Re-Active or Installation work on commercial sites (mainly offices) in the Bristol and Cardiff area.

To apply the Commercial Gas Engineer will require the following

5+ years' experience working on commercial sites carrying out PPM, Re-Active and installation work.

Have their commercial gas qualifications and have worked for a building service or facility management comp

Full driving license (sites will require a degree of travel in the immediate area)

Excellent communication skills and the ability to work with minimal supervision whether independently or as a pair.

Have experience being on an On-Call rota

The Commercial Gas Engineer will receive specific training across all disciplines, be part of a call out rota (after probation) and will also be able to manage their own workload allowing you to maintain a healthy work/life balance.

For more information, please email Nick Lewis with an up-to-date version of your CV.

Suitable Home Locations - Bath, Bristol, Newport, Cheltenham, Stroud, Weston Super Mare, Gloucester, Cardiff
