Company: Resourcing Group

Location: Cardiff

Category: construction-and-extraction

Gas Engineer

CARDIFF

PERMANENT ROLE

Resourcing Group has an additional Gas role to fill a contractor working with in the FM industry based in Cardiff. Our client is passionate about their industry, specialising in all aspects of mechanical and electrical works. Their team is expanding and this is the reason for this roles being available.

They have a roles available for a Commercial Gas Engineer to join their team. This is working with in commercial buildings and involves a mixture of breakdowns, fault finding, fixing issues, as well as completing scheduled PPM works across the sites also.

Because of the nature of FM/Maintenance works, this role would suit someone that is multi skilled, although it is very bias toward Commercial Gas works - the salary and package reflects this.

This opportunity is available on a permanent basis and can be ready to start asap, with a van supplied and a genuinely competitive salary with the ability to improve on your basic

made up of on call, out of hours and overtime.

Essential:

ACS Commercial Gas

NVQ or C&G in Plumbing and Heating

Full UK Driving License - operating a pool van on site

For more information, please call Heather Smith (phone number removed) or email your CV via this advert.

Resourcing Group is acting as an Employment Agency in relation to this vacancy.
