Commercial & Assistant Commercial Managers - Transport & Infrastructure
CPC Project Services Ltd - Leeds Area - Hybrid Working
CPC is an independent project and commercial management consultancy, providing the best technical expertise in delivering transportation, infrastructure, property and transformational change projects. Our people are dedicated to meeting our clients' needs, unified by a core set of values and behaviours that bring the right knowledge, experience and approach to unlocking every project's full potential.

Commercial Manager – Transport & Infrastructure
This is a great opportunity to join CPC's Commercial Services Division within the Transport and Infrastructure Business Unit as a Commercial/Cost manager, driving cost and contracts management across all areas of major transport and infrastructure projects.

Relevant skills and qualifications:

- Experience of working in Quantity Surveying/ Commercial Management team.
- Experience of working pre and/or post-contract in the rail sector.
- Experience carrying out cost management activities including monthly reporting, cash flow control as well as forecasting of supported projects.
- Knowledge of tendering and the procurement process, and/or procurement experience.
- Strong stakeholder management experience.
- Experience of implementing and maintaining effective contract administration processes and reporting systems aligned to project requirements.
- Have a collaborative approach to both work and contract administration, able to work effectively on your own initiative and be a strong team player.
- Ability to operate effectively within embedded delivery teams to drive the optimum commercial outputs in fast paced project delivery environments.

Ideally you will also have:

- NEC & NR forms of contract experience.
- Experience working on complex, high profile projects.
- Understanding of project and change

management methodologies· Degree qualification (or equivalent)· Hold or studying towards a professional qualification· Knowledge of working with or for publicly funded bodiesHow we will support you:· Support and training towards gaining MRICS or equivalent qualifications, with a range of experts across the team and organisation to mentor you through your journey· Regular 1-2-1s with your line manager and structured development objectives· Buddy system to help integrate into the organisation· Hybrid working available (2/3 days per week between CPC offices and client site, and the remainder home working)· Provide a supporting environment and positive culture to enable opportunities to progress within the Commercial Services division and build and develop your careerCPC - Big enough to deliver - small enough to careIn addition to a competitive salary, CPC Project Services Ltd provides comprehensive benefits, including private pension, private healthcare, holidays, assistance with private professional membership subscriptions, training and development, personal performance- based bonus and annual salary review.2023 Construction Consultant/Surveyor of the Year (100 staff or over)**Building Awards, 2023We recognise and value the diversity of our people and are committed to developing working practices which will allow every person to contribute to our business and achieve their career aspirations.We encourage you to apply even if your experience is not a 100% match for this position. We are looking for someone with relevant skills and experience, not a checklist that exactly matches the job description. We want to help you grow and in return, you help us grow into a stronger, more inclusive organisation.Polite notice to recruitment agencies. We are not requiring any assistance at the moment. Please note, we do not accept speculative CV's and they will not be counted as a valid 'introduction'.
