Position description

Job title

Commercial Manager

Contract type

Permanent contract

Business Line specific context

Egis is a leading global consulting, construction engineering and operating firm. We work

hand-in-hand with our clients, across every aspect of transport, energy and the built environment to build a more balanced, sustainable and resilient world. The Egis Group has more than 50 years of experience and a team of 19, employees in over countries around the world. Joining our Group means, above all, sharing our values as a people-first company, strongly committed to sustainability and innovation.

In the UK we're proud to be delivering some of the most iconic projects which help connect people, protect our environment and meet emission reduction targets. From motorways to tramways, nuclear power plants to smart cities, clients choose us to help them solve their most complex challenges - delivering climate-responsible growth that meets the needs of communities, industry and the planet.

The role will be working as a Commercial Manager in the UK Rail Transport Division supporting a number of projects.

This role is based in London. You can expect to be working 3 days a week in the office.

Job description

Egis are working on a rail telecoms framework to provide post-contract commercial management to an array of active contracts, providing advice and support to existing contracts / projects.

The Commercial Manager will have knowledge and experience in post-contract management and procurement within the rail and infrastructure sectors.

You will be expected to utilise your experience and knowledge of supplier relationships and contract management approaches to deliver efficiencies to the framework.

In the role you will be working in the rail and infrastructure sector.

Key responsibilities:

Work as part of the team to deliver the aims of the portfolio

Ensure contracts are adhered to, including contractual notices, variation requests, governance reviews, etc.

Provide commercial advice to the stakeholders

Provide cost review and input to monthly applications

Prepare periodic (monthly) progress reports to the Senior Leadership Team

Take part in weekly team briefings

Profile

Essential:

Excellent communication skills

Good understanding of NEC forms of contracts

Previous relevant experience in:

- Commercial management of contracts
- Commercial reviews, valuation of applications for payment, compliance with contractual T&Cs, identifying contractual entitlement
- Providing proactive advice and guidance on contract procedures including change control

Ability to produce appropriate commercial correspondence and contractual notices

Ensure that commercial records are retained

Educated to degree level and member of/working towards professional membership

General experience in delivering oral presentations

MS Office i.e. at least intermediate Excel and Word skills

What's in it for you:

By joining Egis, as well as receiving a competitive salary, you'll also have the opportunity to explore flexible working arrangements.

27 days annual leave rising 1 day a year (up to 28 days a year) on top of bank holidays

Annual Bonus bonus, depending on your level

Private medical insurance For you and your family

Life Assurance Bereavement Support Service

Cycle to work Scheme

Eye Care Vouchers with Specsavers

Travel Loans

Mobile Phone Allowance of £30 per month

Healthcare Individual or family based on employee level

Workplace Nursery Scheme

Electric Car Scheme

Training & Development

We are committed to our planet

We are committed to our planet

In each project we design, engineer and operate we care deeply about the legacy were leaving behind. As part of our team, youll have a unique opportunity to use your skills and expertise to shape a better future for our communities in the UK, and all around the globe. Our commitment is translated in the work carried out by our Egis Foundation, which funds concrete actions to address the climate crisis and is focused on educational and social initiatives that will help in the responsible and sustainable shift towards a sustainable world.
