Company: PNI INTERNATIONAL CORP

Location: United Kingdom

Category: healthcare-practitioners-and-technical

### Job Description

A community nurse is a specialist adult nurse role, where nursing care is co-ordinated and delivered to housebound patients, avoiding unnecessary admission to hospital.

A community nurses work autonomously to care for a patient's holistic needs, respond to the needs of vulnerable adults, and ensure continuity of care following referral from acute care, rehabilitation units, GPs and other agencies.

A Community nursing is defined as the area of nursing for services that provide nursing care in the community setting.
