NELFT is an award-winning community and mental health Trust, providing healthcare for over
4.9 million people, ensuring our patients, family and friends feel confident that their health
needs are met. We are committed to delivering thebest careto the communities we
serve across North East London, Essex and Kent. With an excellent reputation for research

and development, our skilled healthcare professionals are at the cutting edge of evidence-based innovation, opening up the possibilities for better ways of working and delivery of care. Joining us will provide you with unparalleled access to training opportunities, continuous CPD, peer support groups, and a robust supervision and appraisal system. We are currently recruiting to a Community Old Age Consultant Psychiatrist position in the Redbridge Memory service based at Community Health & Social Care, Aldborough Road North, Newbury Park, Ilford, Essex, IG2 7SR. This is a well-established post and we wish to recruit to this post as soon as possible. You will join 1wte Specialty Doctor, and 1wte Core Trainee within the service, and will have the opportunity to influence future direction, treatment, and models of design in the area in which you work. Why Redbridge? Redbridge has excellent rail, underground and road links with central London, which are seven miles away. Redbridge services have a culture of continual learning and development. Several service development and QI initiatives are being progressed

Job description

Job responsibilities You will be expected to: Work as part of multidisciplinary teams providing care to older adult people with mental health needs, across Redbridge. Provide senior medical support and guidance to the team Work directly with older adult adults and their families and liaise as appropriate with other external older adult mental health providers and acute hospitals

Participate in the on-call rota frequency is currently 1:50, with a 3% of basic salary, Category A on-call supplement. Support your peers and team leader, and be an effective team member whilst allowing them to work with their own initiative

Work alongside 1wte Specialty Doctor, and 1wte Core Trainee Commit to collaborative working, actively supporting and liaising with other health and social professionals, and agencies.
