job details

Job Description: We are currently seeking a Concrete Finisher, assisting with the finishing touches on concrete structures. The successful candidate will play a crucial role in ensuring that concrete surfaces are smooth, durable, and visually appealing, contributing to the overall success of the construction project.

Key Responsibilities:

Prepare concrete surfaces for finishing by cleaning, leveling, and smoothing as necessary.

Apply finishing techniques such as floating, troweling, and brushing to achieve desired texture and appearance.

Use hand and power tools to shape and finish concrete according to specifications.

Repair and patch damaged or uneven concrete surfaces as needed.

Follow safety protocols and regulations to prevent accidents and ensure a safe working environment.

Qualifications:

A valid CSCS Card.

Proven experience working as a Concrete Finisher in a construction or related field.

Strong knowledge of concrete materials, mixing techniques, and finishing methods.

Proficiency in using hand and power tools commonly used in concrete finishing.

Attention to detail and the ability to achieve smooth, uniform finishes.

Physical strength and stamina to perform manual labor tasks in various weather conditions.
