

Concrete Finisher Acton

[Apply Now](#)

Company: Randstad

Location: London

Category: other-general

job details Job Description: We are currently seeking a Concrete Finisher, assisting with the finishing touches on concrete structures. The successful candidate will play a crucial role in ensuring that concrete surfaces are smooth, durable, and visually appealing, contributing to the overall success of the construction project. Key Responsibilities: Prepare concrete surfaces for finishing by cleaning, leveling, and smoothing as necessary. Apply finishing techniques such as floating, troweling, and brushing to achieve desired texture and appearance. Use hand and power tools to shape and finish concrete according to specifications. Repair and patch damaged or uneven concrete surfaces as needed. Follow safety protocols and regulations to prevent accidents and ensure a safe working environment. Qualifications: A valid CSCS Card. Proven experience working as a Concrete Finisher in a construction or related field. Strong knowledge of concrete materials, mixing techniques, and finishing methods. Proficiency in using hand and power tools commonly used in concrete finishing. Attention to detail and the ability to achieve smooth, uniform finishes. Physical strength and stamina to perform manual labor tasks in various weather conditions. Randstad CPE values diversity and promotes equality. No terminology in this advert is intended to discriminate against any of the protected characteristics that fall under the Equality Act 2010. We encourage and welcome applications from all sections of society and are more than happy to discuss reasonable adjustments and/or additional arrangements as required to support your application. Candidates must be eligible to live and work in the UK. For the purposes of the Conduct Regulations 2003, when advertising permanent vacancies we are acting as an Employment Agency, and when advertising

temporary/contract vacancies we are acting as an Employment Business. ... Job Description: We are currently seeking a Concrete Finisher, assisting with the finishing touches on concrete structures.
