We are in search of applicants with special interests in high risk Obstetrics and/or Fetal Medicine. We want someone who can deliver clinical excellence and demonstrate a strong commitment to multi-professional working and leadership. We are looking for someone who can take an active role in local, regional, and national quality and safety agendas in Obstetrics, with opportunities to develop leadership skills through our Trust's new Consultant

Leadership program.

If you're looking for an opportunity to influence change and really make a difference, the Countess of Chester Hospital, are working together to design the new Women and Children's hospital which we will move into in summer 2025. This is a fantastic time to be a part of the success of our shared vision and aspiration to have outstanding services in an outstanding facility.

The beautiful Roman City of Chester boasts excellent schools, low crime levels, an array of shops and restaurants, the world-famous Cathedral and Zoo, close to the vibrant cities of Liverpool and Manchester while sitting on the edge of the Welsh boarder, Chester is perfect location for those who want everything they need on the doorstep.

Dr Victoria Finney, Clinical Director for Women's Health.
