

Consultant Ophthalmologist interest Medical Retina/Diabetic Retinopathy/Oculoplastics and Orbit

[Apply Now](#)

Company: Remedium Partners

Location: United Kingdom

Category: healthcare-practitioners-and-technical

We are looking for an experienced Ophthalmology Consultant to join a large Ophthalmology department in the East Midlands. The role provides a unique chance to work with highly qualified and experienced ophthalmologists, delivering a wide range of ophthalmic clinical services.

The post-holder will actively participate in developing and providing the Medical Retina/Diabetic Retinopathy/Oculoplastics and Orbital sub-specialty services.

Duties and Responsibilities:

Manage a full range of Ophthalmology patients

Provide, alongside Consultant colleagues, a comprehensive elective and emergency Ophthalmic service.

Offer reciprocal cover for periods of leave

Maintain continuing responsibility for the care of patients under your charge and ensure the proper functioning of the department.

Qualifications / Desirables:

Full GMC registration Eligible to be included on the specialist register CCT is expected within six months of the interview date FRCS/FRCOphth or equivalent.

Location:

Nottingham is a vibrant and diverse city, offering a wide range of activities, cuisines and a great mix of urban and rural life. Home to leading universities and schools, Nottinghamshire is a great location for those seeking further education or relocating with families.

Nottingham is also home an award-winning transport system, including the Robin Hood Network for buses, trams, and trains, as well as excellent connections to other major cities in the UK and international airports.
