We are delighted to be instructed on this junior conveyancing role with our client, a successful firm in the heart of the community in Perth. The firm is one of the longest established legal firms in the area, providing a comprehensive range of services to both individuals and commercial organisations.

The ideal candidate will be at the NQ to 2 years' PQE level, ideally with some experience in residential conveyancing work. You will manage your own caseload, which will involve a range of conveyancing matters, including buying and selling properties, transfers of titles, title problems, and boundary disputes.

This is a full-time position. The firm operates a hybrid working policy that allows employees to work from home two days per week, although this can be flexible. If this role is of interest, please get in touch with Steph or Teddie for an initial and confidential discussion. (Assignment 15909)
