

Corporate Finance Associate

[Apply Now](#)

Company: Invenire Group

Location: London Area

Category: other-general

Invenire are currently working with a leading Energy Transition firm who are looking to bring on a Corporate Finance Associate to help the team with Financial Models and Valuations. The role Assist senior team members in the seamless execution of valuation projects from initiation to conclusion. Effectively manage valuation engagements throughout their life cycle. Conduct thorough technical valuation analyses for diverse purposes such as accounting, tax, commercial, and forensic engagements. Produce concise, comprehensive valuation reports tailored for non-technical audiences. Supervise and mentor junior team members, providing clear guidance and support. Offer valuable intellectual input and challenge senior staff when addressing projects with complex conceptual elements. Conduct targeted technical research in specific valuation areas and disseminate key insights to the valuation team. Design and develop high-quality presentation packs and pitches Requirements Strong experience in valuations from a professional services background with experience in industry. Ability to interpret financial statements in the context of valuations Strong business writing, analytical and excel modelling skills Effective written and oral communication skills Excellent academic background including a professional qualification in accountancy or other related financial discipline (e.g. ACA or CFA) If this is of interest or you know someone who would be interested, please reach out to George at george@inveniregroup.co.uk
