## Corporate Training Intern

[Apply Now](#)

Company: OneStream Software

Location: United Kingdom

Category: business-and-financial-operations

### ABOUT THE JOB

OneStream Software is a financial software company; We are a leader in Corporate Performance Management (CPM) solutions for the world's leading enterprises. We have created a unified software platform that provides a comprehensive and dynamic view of the entire enterprise based on a single source of truth for finance and operations. As a Microsoft Gold Partner, we offer our customers the ability to store their data using Microsoft Azure. As an intern, you will have the opportunity to gain valuable insight and hands-on experience in the Corporate Performance Management (CPM) industry.

### WHY YOU SHOULD APPLY

If you are looking to gain internship experience in an exciting industry, while working hands-on with a progressive software company on the cutting edge of technology, then this is the opportunity for you. Our internships run from 8th, July 2024 – 13th, September 2024 and are up to 40 hours per week with competitive pay.

### RESPONSIBILITIES

Global Education Services is a team of professionals setting out to build a best-in-class training and enablement programs for OneStream's fast-growing network of technical professionals -- employee, partner, and customer.

GES includes teams dedicated to content development, instruction, certification exams, OneStream Press, and the ONE Community.

Our target audience includes Software Developers, Implementers, Administrators and

Business Users.

This role is an excellent opportunity for someone looking to develop the research and analytical skills. You will be conducting internal and external research on software training programs and reporting on those findings.
