About the school - Cover Supervisor

This good same sex secondary school based in the outer London borough of Edmonton caters to students aged 11 to 19. The school are committed and highly qualified when it comes to their students where they are keen to build upon their prior learning, develop their

potential and prepare them for the future. Supporting a total of 1010 running at over full capacity, the headteacher is passionate about maintaining their traditional values related to behaviour, appearance and courtesy. Having been recognised as 'good' by OFSTED in June 2019, they are excited to have new members of staff join us in delivering transformative learning experiences. The inspectors commented that 'learning is the business of the day' and that sentiment underpins all that we do. Since then, the school continues to grow and strive for the highest standards.
