Cover Supervisors required across Durham

Do you have experience working with children aged 11-18? Interested in developing a career in teaching? We may have the perfect opportunity for you!

The Education Network is looking for Cover Supervisors of all levels of experience to work in Secondary Schools across Teesside. Our clients near you need your help to mitigate the effects of teacher sickness and absence on children's education. We therefore require professional, flexible behaviour managers with a passion to work with children to provide them with long-term and short-term classroom cover.

Local work, Guaranteed Pay Scheme

The demand is greater than ever due to ever decreasing school budgets and ever increasing absence. This means there's a great chance we can keep your work local to you whilst being flexible around your availability. As long as you have a minimum of 2 days availability we would consider you for one of our Guaranteed Pay Schemes subject to satisfactory experience, references & flexibility.

We currently have schemes of 2-5 days in every Local Authority.

All we ask is that you:

Have experience of working with Secondary aged children

Have a valid DBS certificate or can apply for one

Have at least two referees (including at least one child-based reference)

Are passionate about education and are passionate about helping our North East children to reach their full potential!

Working with us
