CPCS/NPORS Traffic Marshall - IMMEDIATE START - 1 Year - Bexhill, TN40

CPCS/NPORS Traffic Marshall. Our client, a leading Main Contractor who undertake large Refurbishment, Fit-out & Construction projects throughout the UK, are currently recruiting for 1no Traffic Marshall to join their project team for large New Build recently commenced project in Bexhill (TN40). The project is a large New Build project within a live environment, which is due to run on site for the next minimum 1 Year on site.

Working on site as a Traffic Marshall, you will be responsible for directing, banking and assisting with all coming deliveries and also of removal of materials and goods from site via road transport. Being the first point of contact on this large site, you will be responsible for ensuring that deliveries are arriving within their pre-arranged delivery slot and are accessing site via the correct and approved routes. Due to the current situation you will also be required to ensure all areas on site are kept clean and safe, in line with our client's COVID-19 protocols and procedures.

If you are an experienced Traffic Marshall who has either a valid CPCS Traffic Marshall or alternatively a NPORS Vehicle Marshall Qualification, along with Full PPE as standard, and are available for work to start immediately in Bexhill, then we would love to hear from you straight away!
