### Description

FieldCore is looking for an engaged and driven Crane Operator to join our team based in the UK. FieldCore, a GE company, is an independent, industrial field services organization focused on World-Class Execution across the power generation sector. Our team includes more than 10,000 of the foremost experts in field services all focused on one thing: delivering excellent outcomes for our customers. Our Core Values of Safety, Integrity, Quality and Inclusion are the foundation of everything we do to empower the people who power the world. **Let's Talk about the Role** The Crane Operator is responsible for the safe operation of overhead gantry crane and/or mobile crane in accordance with EHS procedures. Crane Operator is responsible for operating a stationary or traveling crane to lift, move, position, and reposition loads. Depresses buttons, lifts levers, and ensures load is safely attached to crane before bringing it down. You may be assigned other duties to help proactively drive our FieldCore vision and align with our organization's core values. You will gain hands-on experience and grow your career whilst traveling the world and providing power to communities. **How You Will Make a Difference:** Perform operation of overhead gantry crane and/or mobile crane lifts supporting rigging and lifting work activities · Assist with mechanical works whenever there is no crane operating work requirements. · Perform crane operations in partnership with the designated banksman/rigger. · Lift, position and place machinery, equipment or other large objects at construction sites and industrial facilities · Perform visual pre and post use crane inspections. · Record any crane faults or failures and report to line supervision. · Work within precise limits and standards of accuracy · Ensure all in-field lifting

activities are carried out safely complying with company Environmental Health & Safety (EHS) guidelines and procedures. ·Perform other duties as assigned. ·Travel may be required. ·Ability and willingness to work holidays, weekends and overtime as required by field assignments. **Special Role Requirements:**·Hold relevant industry qualification – a CPCS card for crane operator. ·Onshore - CPCS AP60 crane supervisor card/CPCS AP61 Appointed Person Lifting card/Stage 3 NVQ crane operations certificate (offshore only) (Desirable) ·Secondary/High School education ·Tech/vocational cert in engineering or technology ·Minimum 1 year crane operating and moving loads. ·Recognized and approved Radio certificate and Bankman/slinger training - so he/she can understand the slinging and communication methods. **Skills for Success** A formal education in Technical Field or Gas Turbine Systems is good to have, but we are most interested in your total experience, professional achievements, and your can-do attitude. ·Able to successfully perform all requirements of the job properly. ·Possess advanced skills and applies the fundamental concepts, practices, and procedures of a particular field of specialization. In-depth knowledge of lifting operations and the regulatory requirements that apply to such operations. ·Excellent communication, and interpersonal skills ·Ability to work independently and within a team.

**We're determined to be the best place to grow** People are the heart of our organization and we put them first in everything we do. From professional development to a wide range of training opportunities, we continually strive to create an empowering and healthy place to work. Combining our values of growth and World-Class Execution is what sets our workplace apart from the rest. Only FieldCore can offer this wide range of opportunities across the power generation industry, combined with excellent career paths in technical, functional and leadership areas. **What's in it For You**Our total rewards are designed to unlock your ambition by giving you the boost and flexibility you need to turn your ideas into world-changing realities. That's why we offer comprehensive benefits that encourage mental, physical, and financial well-being for all FieldCore associates. Not only this but you'll also be surrounded by career opportunities in a culture that fosters care, collaboration, and support. **Inclusion & Diversity** We are passionate about creating an inclusive work environment. By valuing the ideas and contributions of a diverse workforce we help inspire others to grow, succeed, and raise the bar for everyone. As an equal opportunity and affirmative action employer, FieldCore is committed to support disadvantaged groups whilst providing equal opportunities for both FieldCore associates and applicants alike. Join us at FieldCore where results can be achieved by embracing a community of belonging!
