

## Credit Controller

[Apply Now](#)

Company: SF Recruitment

Location: Irlam

Category: other-general

You will be working for an established, multi billion pound turnover business based in Irlam who are seeking an experienced Credit Controller to join their vibrant team. This business has always been a reputable employer with low staff turnover however the senior leadership team are looking to take things to the next level via enhanced benefits package and consistent team days out.

This is a full time, permanent role with flexibility on start and finish times (8-4.30 / 9-5.30) on a hybrid basis allowing you to work two days per week from home. Your main focus is on customer contact and query management. You will be responsible for managing high value key accounts via building long standing relationships.

To be considered you must have a strong background within Credit and SAP experience is desirable but not essential.

Benefits include enhanced package and bonus scheme based on company and individual performance enabling you to boost your earnings further. The hybrid working policy allows you to prioritize your work life balance. Other benefits include development schemes within the business with multiple examples of internal movement from Credit into Accounts and vice versa.
