## Credit Controller

**Flexible working model**

**Manchester**

**£30,000**

Do you want to work somewhere where the ledger is already tidy, and the team already have amazing relationships with customers? I mean who wouldn't? At this business, you don't have to worry about ridiculous aged debt or grouchy customers.

This business has come to me exclusively about an exciting credit control role. You'll be joining an already well-structured team of 4 who have worked hard to maintain a clean ledger. Here it's all about picking up the phone and building a rapport with clients, understanding what makes each one tick.

Each client is different, this isn't a 'one size fits all' role, you must be adaptable and enjoy building genuine long-lasting relationships. You'll be supported by the Credit Control Manager who is great, she listens, supports, and encourages you to be the best, most efficient Credit Controller you can be.

Gone are the days when you have to worry about being in the office for bang on 9 o'clock. Whether you're an early bird or a late riser, this business offers flexible working hours to get the best out of its staff. Rather than you sit in rush hour traffic, this business would much prefer you to have an extra 30 minutes in bed!

Applications are now welcomed.
