Critical Care Pharmacist

Package

Salary: Band 7

Contract: Permanent

Hours: 22.5 hours per week

Location: Nottinghamshire

Our Client is a state-of-the-art private hospital, offering consultations with specialists in a wide range of treatments, supported by advanced imaging and diagnostic technology.

Duties and responsibilities:

As a part of this new team you will play a key role in care of our Level 2 & 3 patients, you will provide a first class clinical pharmacy service working closely with our consultants and wider CCU team. As this is a new department with more growth planned you will also play an active role in developing the service, so it's a great opportunity to really take ownership in key area for the hospital. You will also be responsible for training our other Pharmacists so they can cover in CCU.

During the down time in CCU you will be needed in other areas such as the dispensary or ward rounds, so you will be able to keep your skills and knowledge up to date in all aspects of Clinical Pharmacy.

Initially this will be a part time role but we expect the hours to increase as the service

grows, you will also need to be flexible as the days and shifts required will vary.

Who we're looking for:

GPhC registered Pharmacist

You must have at least 2 years' experience as a Critical Care Pharmacist as you will be the sole CCU pharmacist in site. Current evidence of work in CCU is a necessity

Experience in training or mentoring is highly desirable.

Benefits:

We offer employees a competitive salary as well as a comprehensive benefits package which includes but is not limited to:

35 days annual leave inclusive of bank holidays

Employer and employee contributory pension with flexible retirement options

Reward platform - discount and cashback for over 1000 retailers

Free Bupa wellness screening

Private medical insurance

Life assurance

Save an average of £50 per month with our free onsite car park
