Company: Falcon Green

Location: United Kingdom

Category: business-and-financial-operations

## CSA Project Manager

**REF: CSAPM**

**Location: Mainland Europe**

**Salary: €120000**

### **Professional & Technical**

A multinational M&E Contractor that specialises in delivering complex industrial projects in Europe are looking to source a diligent, detail driven CSA Project Manager. Ideally, candidates will have worked on large industrial projects of values £20m+ as this is a large industrial project with extensive M&E packages.

The project itself is a large-scale Data Centre project located in mainland Europe. Please consider that you would be employed under the European nations' employment law.

On offer is a competitive salary + Accommodation + flights + travel + bonus. The Data Centre infrastructure is booming in the current climate, thus guaranteeing work for the coming years.

### **CSA Project Manager Key Responsibilities:**

Manage all Civil, Structural and Architectural packages on site

Familiarity with and management of Project Schedule in conjunction with other trades and Package Leads.

Attendance at Site Meetings, Internal Project Reviews, Engineering Reviews, Planning and Co-ordination Meetings and Handover Meetings where required.

Close out of all project items including O & M Manuals, Punch List, Safety File, QA File – all

with the support of the CSA Package Manager

### **CSA Project Manager Key Requirements:**

Previous experience on similar large-scale projects

Proven record of supervising and involvement of large installation projects

Experienced in design and build

Ability to work well within strict deadlines

Ability to drive a large-scale project

This is a superb opportunity for an ambitious CSA Project Manager to join a company that has a project pipeline full for the coming years.
