Currently working in a Customer Service role, are you interested in joining a worldwide leader in light and sustainable construction?

Personally, and professionally, we offer an environment of continuous improvement, allowing you to develop, build on your current skill set, and add to it!

At Saint-Gobain we design, manufacture, and distribute materials and solutions for the construction, mobility and industrial markets. Our high-performance and sustainable solutions help improve individual and collective wellbeing, while preserving the planet for future generations.

As we continue to look for talent both inside and outside of the industry, we're keen to hear from people who are interested in joining us on our journey to 'make the world a better home'.

We're pretty open, but would like to hear from people with experience in the following areas;

Passionate about providing a first-class customer experience, putting the customer at the heart of everything you do

Ability to gather customer insight through the strong relationships you build to trigger business improvements

Excellent communication and interpersonal skills; the ability to build strong relationships and to show empathy and understanding

Attention to detail, tenacity, and the ability to see things through

Please apply via this advert to register your interest for any future opportunities at Saint-Gobain. If your skills are suitable, a member of the recruitment team will reach out to learn more about you, what drives you, where you see your career heading, and to discuss potential roles further down the line.

Are Saint-Gobain an inclusive employer?

From wherever you are, let your unique personality and our values guide you every day to invent a more sustainable world.

We understand that a diverse workplace is not only a more enjoyable place to be, but also facilitates better decision making and innovation. So, whoever you are, and whichever Saint-Gobain business you join, you can be sure of a warm welcome with us.

And what about flexibility?

The world of work is changing. At Saint-Gobain, we're always open to new ways of working. Everyone has different needs and commitments. We'll happily discuss any need you might have for this role: flexible hours, job-sharing, part-time working, or anything else that matters to you. We can't promise to meet every request when we're recruiting. But we do promise to listen.
