Microsoft D365 F&SCM Solution Architect – Up to £115k Salary

UK Only (Hybrid)

Elevate your career by joining a prestigious Global Consultancy at the forefront of building a dedicated Microsoft Practice in the UK. As an experienced **D365 F&SCM Solution Architect** you will play a pivotal role in shaping the future of the Practice, establishing it as the go-to consultancy for Microsoft expertise.

The Role:

In this influential role as **D365 F&SCM Solution Architect** you will serve as a trusted advisor to clients on their cloud journey, leading the design and development of D365 F&O solutions. Your responsibilities include championing Microsoft Business Applications' benefits, taking ownership, and exercising autonomy over project deliverables. Collaborate seamlessly with the broader team to define, design, and align business applications with client requirements.

What's in it for You:

Shape the trajectory of the Practice and contribute to making it the premier consultancy for Microsoft solutions.

Access cutting-edge resources, exceptional leadership, and an already robust pipeline of D365 projects.

Join a technology consulting giant during the expansion of their Microsoft Capability, providing you with a unique opportunity to make your mark in Dynamics 365.

How to Apply:

This is your chance to be part of a significant transformation in the technology consulting landscape.

Apply today to learn more about this exciting opportunity. **Contact Amber Blake at amber.blake@cognitive-group.com.**
