Required Hours: 40 hours a week, Monday – Friday (possible overtime)
Assignment rate: 40 £/h
Location: Remote Work

No concurrent document review permitted for the duration of this project

Qualifications & Requirements
Bar Admission/active Attorney's License in the UK
Experience in electronically reviewing documents in complex litigation matters using our various review platforms including KLDiscovery, Nebula, EDR, and Relativity is preferred but not required
Assist with quality control, preparation of privilege and redaction logs
Review and code documents for responsiveness, relevancy, confidentiality, and privilege
High speed internet access at home office and either a Mac or PC with Windows 10 or newer operating system is required for remote work
Must possess high proficiency related to remote work technology.
Strong attention to detail and capability to prioritize tasks
Critical thinking skills and ability to retain complex work direction
Excellent verbal and written communication skills

What We Offer
A friendly and welcoming team-oriented environment
Opportunity to practice and expand your legal

experience by providing valuable insight into the discovery process in different areas of litigation Opportunities for career advancement and growth Our Cultural Values Entrepreneurs at heart, we are a customer first team sharing one goal and one vision. We seek team members who are: Humble - No one is above another; we all work together to meet our clients' needs and we acknowledge our own weaknesses Hungry - We all are driven internally to be successful and to continually expand our contribution and impact Smart - We use emotional intelligence when working with one another and with clients Our culture shapes our actions, our products, and the relationships we forge with our customers. Who We Are KLDiscovery provides technology-enabled services and software to help law firms, corporations, government agencies and consumers solve complex data challenges. With offices in 40+ locations across 18 countries, we deliver best-in-class eDiscovery, information governance, and data recovery solutions to support the litigation, regulatory compliance, internal investigation and data recovery and management needs of our clients. Serving clients for over 30 years, KLDiscovery offers data collection and forensic investigation, early case assessment, electronic discovery and data processing, application software and data hosting for web-based document reviews, and managed document review services. In addition, through its global Ontrack Data Recovery business, KLDiscovery delivers world-class data recovery, email extraction and restoration, data destruction and tape management in the US and around the globe. We are the pioneers of many tools and techniques used in the data recovery industry today. KLDiscovery has been recognized as one of the fastest growing companies in North America by both Inc. Magazine (Inc. 5000) and Deloitte (Deloitte's Technology Fast 500) and CEO Chris Weiler was recognized as a 2014 Ernst & Young Entrepreneur of the Year™. Additionally, KLDiscovery is an Orange-level Relativity Best in Service Partner, a Relativity Premium Hosting Partner and maintains ISO/IEC 27001 Certified data centers. KLDiscovery is an Equal Opportunity Employer.
