

## Data Analyst/Scientist - Hybrid/Bristol - Up to £55k

[Apply Now](#)

Company: Adecco

Location: Bristol

Category: computer-and-mathematical

Data Analyst/Scientist - Broadmead, Bristol

Job Title: Data Analyst/Scientist

Location: Broadmead, Bristol

Remuneration: £35,000 - £55,000 per year

Contract Details: Permanent, Full Time

Responsibilities:

Dive deep into extensive data sets for valuable insights.

Validate data, ensuring integrity.

Translate business requirements into tech specs.

Create high-performance data sets for reporting and analytics.

Craft Tableau dashboards for informed decisions.

Promote a culture of enhancement through continuous improvement.

Lead analytics projects following Agile practises.

Guide junior team members to enhance their skills.

Foster data literacy for data-driven decisions.

## About the Organisation:

We are expanding our analytics function and are actively seeking a Data Analyst/Scientist to join our client's team, in a role that offers a unique opportunity for personal and professional growth, as well as a chance to contribute to their team's ongoing success. With a focus on risk within the insurance industry, our client values collaboration, rapid learning in complex domains, and offers a small team environment that encourages stakeholder engagement.

## Candidate Requirements:

Bachelor's degree in Math, Computer Science, or related field.

Minimum 3 years of experience as a Data Analyst/Scientist.

Proficient in Python and SQL.

Experience with cloud platforms such as GCP, AWS, or Azure.

Familiarity with Tableau, Power BI, or similar tools.

Strong communication and collaboration skills.

Excellent problem-solving and critical-thinking abilities.

## Perks:

Hybrid working arrangement.

Paid training opportunities.

Pension contribution matching.

Employee discounts.

Health insurance.

## Location Details:

Parking available nearby at Mall Galleries (2-minute walk).

Office located 15 minutes walk from Princes Wharf train station.

If you are a skilled professional who thrives in analysing data, possesses exceptional stakeholder engagement abilities, and embraces rapid learning in complex domains, our client's organisation invites you to join their team.

Adecco is a disability-confident employer. It is important to us that we run an inclusive and accessible recruitment process to support candidates of all backgrounds and all abilities to apply. Adecco is committed to building a supportive environment for you to explore the next steps in your career. If you require reasonable adjustments at any stage, please let us know and we will be happy to support you.
