Data Annotator London

[Apply Now](#)

Company: Sigma Group

Location: London

Category: computer-and-mathematical

Sigma AI is a global training data collection preparation and annotation services company. With 30 years of experience in the data annotation space we support companies with the right mix of people processes and technology to train smarter AI that serves humans better.

We are currently seeking native Hindi annotators for different onsite projects. As a leading provider of data annotation solutions we are dedicated to maintaining the highest standards of quality and precision in our work. In this role you will have the opportunity to contribute to a variety of annotation projects.

Requirements:

Fluent oral comprehension and written expression of Hindi without spelling mistakes.

Basic computer skills at a user level.

Strong attention to detail.

Prior transcription experience is not required but is advantageous.

Valued qualifications:

Experience in data annotation.

Proficiency in other Indian languages enhancing our team's diversity.

Apply now to be part of our innovative team!
