## Database Administrator (DBA)

[Apply Now](#)

Company: JAGGAER

Location: United Kingdom

Category: other-general

**ABOUT JAGGAER:** JAGGAER is a proven industry leader in comprehensive sourcing & procurement solutions. Our SaaS-based, source-to-settle solution provides unparalleled visibility, insights, and recommendations to procurement leaders and suppliers. The result is a fluid supply chain driven by robust spend analysis, comprehensive contract management, and efficient accounts payable solutions.**WHAT WE ARE LOOKING FOR:**We're looking for a Database Specialist who is keen to work on multiple database platforms. This position is responsible for operating PostgreSQL, MySQL, Oracle, DB2 and Snowflake databases for development, test, and production environments. This individual will become part of an international DBA team and will work closely with application and infrastructure teams to support and manage complex environments. The ideal candidate enjoys researching and implementing new technologies, mentoring teammates on new technologies and best practices.Please note this role can be remote or hybrid in London, Birmingham, Newcastle or Glasgow areas. **ROLE RESPONSIBILITIES:**Installing, configuring, and managing PostgreSQL and MySQL databases.Operating Oracle 19c RAC and single-instance databases.Operating DB2 11.1 and 11.5 DB2 on Linux.Monitoring and performance tuning databases and SQL.Working with development teams in assisting in query analysis.Analyzing logical and physical database design in evaluating tables for maintenance or redesign.Assisting in troubleshooting application issues related to database performance and bottlenecks.Providing input/evidence for audits, and consulting expertise in SQL and database development and performance.Development, maintenance, and enforcement of database standards.This position may require flexibility with hours and overtime. This person

will be occasionally on-call during non-business hours. WHAT YOU WILL BRING: 1-3 years of Database Administration experience. The optimum candidate should be able to work on busy OLTP database environments. Experience supporting databases running in both on-premises and AWS cloud environments. Solid knowledge of the privilege systems for all database platforms. Familiarity with the AWS cloud environment. Experience supporting multi-tenant databases. Effective verbal and written communication skills in both business and technical areas. Proven ability to maintain leading-edge skills in a rapidly changing information systems environment. Strong analytical and problem-solving skills. Demonstrated ability to troubleshoot problems in complex systems under pressure. Experience on multiple database platforms, both commercial and open source. Have the right to work in the UK and willing to undergo a background check as this role will require National Security Vetting at Security Clearance (SC) level. OUR VALUES Our values are at the core of who we are at JAGGAER. You will see these values entrenched in how we support our customers, work with team members, build our products, and in the culture we've created. Passion: Our team is passionate about the work we do and the impact we're making. Humility: We respect and learn from our teammates in pursuit of the larger company mission – to simplify procurement with a relentless customer focus. Empathy: We constantly seek to understand the perspectives of teammates, customers, partners, and other community members. Transparency: We're clear about our plans, processes, and goals, so nothing surprises us. Accountability: We measure ourselves against the expectations of our customers and stakeholders, as well as our community at large. EEO: JAGGAER is a proud equal opportunity/affirmative action employer supporting workforce diversity. We do not discriminate based upon race, ethnicity, ancestry, religion, color, national origin, sex (including pregnancy, childbirth, or related medical conditions), marital status, caregiver status, sexual orientation, gender, gender identity, gender expression, transgender status, sexual stereotypes, age, genetic information, military or veteran status, mental or physical disability, or other applicable legally protected characteristics. ACCESSIBILITY JAGGAER is committed to providing access and reasonable accommodation to applicants. If you are a qualified individual with a disability or a disabled veteran and you think you may require an accommodation for any part of the recruitment process, please send a request to: [hr@jaggaer.com](mailto:hr@jaggaer.com) All requests for accommodations are treated discreetly and confidentially, as practical and permitted by law.
