Category: production

Our Dealership Tyre Fitter Opportunity

Our Dealership Tyre Fitters are based nationally within the prestigious dealership centres. They are the vital people who go above and beyond to exceed customer's expectations and ensure the quality tyres we supply, are fitted to the highest safety standards.

What you will be doing

As a Dealership Tyre Fitter, you'll be managing tyre department operation within a prestigious car dealership. As well as carrying out all tyre fitting procedures including puncture repairs, you'll be responsible for stock control, interacting with various dealership departments, retail customers and delivering a first class customer experience.

About You

Ideally, experience in tyre fitting or a fast-fit role

Desire to learn quickly and enthusiastically

Experience using Microsoft Office and Outlook

Full UK driving licence, preferable but not always essential

Ability to get along with colleagues and customers alike

Team player, committed to helping people

A strong interest in, or passion for cars

Benefits

Competitive salary

Monthly bonus

33.5 days holidays including bank holidays, increasing with service

Generous staff discounts for you and your family

Award-winning training and development, with fantastic career prospects

Exclusive discounts at major retailers, restaurants, holidays and much more

Wide range of wellbeing support for you and your family
