## Delivery Driver Part Time

Our Self-Employed Delivery Driver Part Time is great for anyone looking to deliver up to 5 days a week or for someone who wants to top up their earnings with extra delivery work.

You'll enjoy freedom, flexibility, and better financial rewards, plus all the support and benefits of being part of our wider Yodel team. You don't need any experience, and the more you deliver, the more you earn.

We are looking to partner up with Self-Employed Delivery Drivers right across the country therefore, regardless of where you live, submit your details today and we shall find an available delivery route closest to you!

### Why join Yodel

#### Competitive rates for each parcel you deliver or collect

Typically, our Delivery Drivers can earn anything between ~~£18~~ - **£20p/h** (paid per parcel).

We're in the business of delivering promises as well as parcels therefore we're raising our game and giving you more reasons to come and join us. All our rates are competitively enhanced taking business mileage and operational costs into consideration. It's a total gamechanger.

#### We have plenty of parcels to deliver

There are plenty of parcels to deliver meaning the earning opportunity is in your hands. Our parcels weigh up to a maximum of 15kg and can vary in size. You can realistically deliver and collect between 16-25 parcels an hour depending on the area and your experience, for up to 5

days a week. The more you deliver, the more you earn, with the opportunity to take more parcels and boost your revenue.

### **We'll give you freedom and flexibility**

You can plan your own route or use our handy award-winning app with simple instructions and built in optimisation which will help you prepare and plan your delivery routes more easily, as well as allowing you to liaise directly with customers.

### **We'll offer regular work in a familiar area, up to 5 days a week**

Choose and commit to the days and times that suit you and deliver within familiar areas using our easy to follow, award winning driver app. Manage your day, plan in your breaks and even take on additional parcels.

### **We'll develop and support you**

You'll get all the independence of being self-employed, plus the backing of our expert team and access to a Yodel representative, to answer your questions.

### **The Delivery Driver Part Time**

Each day is what you make it. You can plan your own route, which will keep things fresh and interesting. And at each delivery or doorstep, use your mobile to scan parcels and make sure they're safely received by the customer, so there's no difficult technology for you to get to grips with. We will arrange a suitable time for you to collect your parcels daily, or for those located within a more rural area, we can drop to you. Simple!

### **Want a bit more? All our Self Employed Delivery Drivers have access to:**

- Partner Discounts - Including Naked Wines, Beer Hawk and Hello Fresh.
- Health and Wellbeing Programmes - Offering support from managing relationships to finance
- Develop and grow your business - There's plenty of parcels to deliver, meaning the earning opportunity is in your hands

### **What you'll need to show us?**

No, experience, no problem! We give full training and support to help you get on your way.

All you need to show us is the following to get started:

- Access to a insured car or van (up to 3.5 tonne)
- A full UK or EC/EEA Driving Licence (if you don't currently have a Full UK driving licence, this will need to be acquired within 6 months of joining Yodel)
- Proof of Right to Work in the UK
- IOS or Android smart phone
- Proof of own bank account
- And finally, have a great attitude

**We are looking to partner up with more Self Employed Delivery Drivers than ever before, so register your interest today!**
