

Delivery Driver/Warehouse Operative

[Apply Now](#)

Company: Meridian Business Support

Location: Dunston, Staffordshire

Category: other-general

Meridian Business Support are recruiting for a Delivery Driver/Warehouse Operative for their client based in Stafford.

Job Role:

Your main duties in the position will be the preparing of machines and resources to be dispatched from our warehouse to customers across the UK; you will also be required to clean and refurbish previously owned machines for second hand use.

You will also be asked to perform deliveries in one of our company vehicles; these deliveries may include bundles of consumables for various machine models or larger, heavier office printers/ photocopiers to customer sites. Alongside this, you may also be asked to collect machines that have come to the end of their contracts and return them to the warehouse ready for either disposal or refurbishment.

During any deliveries you are asked to perform or support with, you may need to install devices or set them up on company networks in preparation for remote install by our Analyst Team - you will be provided full training for these procedures.

The ideal candidate will be a confident communicator, and be comfortable communicating with colleagues and customers.

Have a working knowledge of safe workplace practise and be health and safety conscious.

Be able to work collaboratively with the logistics team to ensure the smooth operation of delivery jobs.

Have experience in the installation of software, or be open to learning the in-depth knowledge

required for the role.

Prior experience in delivery driving is desirable.
