Join Our Team as a Delivery Manager in a Leading Public Sector Organisation! Are you ready to be at the forefront of transformative change within the public sector? We're hiring a Delivery Manager to play a pivotal role in driving forward our innovative and progressive team. Why Join Us? Become part of a dynamic, newly re-shaped team dedicated to driving change. Enjoy a competitive salary and exceptional pension benefits. Embrace a highly flexible working model, promoting true work/life balance. About the Role: You'll collaborate closely with product managers, user researchers, designers, and developers to innovate and enhance products and services. Drawing from your extensive experience in dynamic digital product teams, you'll ensure our deliverables are efficiently produced, of high quality, and adaptable to rapid changes in requirements. Responsibilities: Serve as an agile coach and mentor, advocating for agile delivery and fostering openness to change. Lead team ceremonies following agile best practices, facilitating regular retrospectives for continuous improvement. Oversee external technology and delivery partnerships to maximise value from collaborations. Be engaged with all aspects of agile & lean thinking, from backlog management to estimation to continuous delivery. Qualifications: Proven experience delivering digital products using agile methodologies. Ability to blend traditional project management and agile techniques effectively. Deep understanding of agile principles and practices within complex organisations. Strong communication skills and ability to collaborate effectively with stakeholders at all levels. Commitment to prioritising user needs and driving decisions based on qualitative and quantitative data. If you're passionate about driving impactful change within the public sector and have the skills to lead delivery in a dynamic environment, we want to

hear from you. Apply now and be part of shaping the future!
