Company Overview: Optima Plus Recruitment are currently seeking an associate Dentist for one of our prestigious clients. The practice is located in Dumfries and is a thriving and patient-centered dental practice dedicated to providing high-quality, compassionate care to the community. With a commitment to excellence, the team is passionate about creating positive dental experiences for their patients. We are currently seeking a skilled and motivated Associate Dentist to join a dynamic team and contribute to the mission of enhancing oral health and overall well-being.

Position Overview:

We are currently seeking a highly skilled and motivated dentist to join our team in Dumfries,

which benefits from clinical freedom on labs and materials, online marketing support, CPD events, and a comprehensive mentoring program.

We offer visa sponsorship, VTE and assistant programs (PLVE), team and are committed to supporting our dentists' work-life balance and offer flexible working hours to accommodate our team's needs.

A welcome bonus is available to new dentists joining our team.

Our Clinic is equipped with the latest state-of-the-art technology, including digital radiographs, SOE with fully digital X-ray systems , and rotary endo. We offer implants, Invisalign, Composite Bonding, and Facial Aesthetics and additional opportunities for career growth.

The practice is teamed with fully qualified dental professionals with years of experience providing exceptional care to our private patients in Dumfries.

Dumfries and Galloway is a beautiful region in Scotland, known for its picturesque coastal towns, charming villages, and stunning natural landscapes. The area is also home to a thriving dental community, and Real Good Dental is proud to be a part of it. We are committed to offering our services to patients throughout the region and to providing our team with an excellent working environment.

If you are an ambitious dentist looking for a challenging and rewarding career in Dumfries, this is the place for you, giving you the opportunity to work with a broad range of patients.

Join our team of dental professionals and experience the satisfaction of providing outstanding dental care to patients in one of Scotland's most beautiful regions.

The remuneration for this role is a 50% split with the revenue generated in 2023 of over £460k on the current patient list.

The list is 90% private with a very small list of NHS Children and over 750 Dental Plan patients.

Role is available from July 2024
