Company: Independent Resourcing Consultancy

Location: United Kingdom

Category: other-general

Job Description

The Opportunity

We are currently recruiting a Dental Therapist to join our friendly team at Diamond Dental Practice in Glasgow. You will join a large team of experienced dentists and support staff.

We are seeking a therapist who has availability for two days per week, Mondays and Fridays.

Benefits

As a newly qualified or early career Dental Therapist, you will be invited to join our year long training programme designed to help you transition from university to practice

You will join our growing number of experienced Dental Therapists across the Group who you will have opportunities to meet thereby expanding your professional network and gaining support from your peer group

Tailored Clinical Support and bespoke Career Development Plan

Access to world leading digital dentistry and AI technology

Experienced Admin & Practice teams to help manage your diary efficiently

Free Marketing Support to help promote your services within the local area

Who are we looking for?

GDC registration is essential and experience within the UK highly desirable

Proven team working skills, our teams are close knit and you will be integral to the success of the practice

A desire to provide a high level of clinical care

Commitment to continuous professional development is essential.

Why be a Dental Therapist with Clyde Munro Dental Group:

Clyde Munro celebrate the important role Dental Therapists play in dentistry and we want you to join our growing team.

Whether you are an experienced Dental Therapist but find yourself working mostly in a hygiene capacity, or maybe you are newly qualified – whatever your circumstance we have the positions and dedicated training programme to help you build on your knowledge and clinical skills to work to your full scope of practice.
