An excellent opportunity in a well-established mixed practice, part of a clinically led 'mini-corporate'. This is a well-established high street practice, with a mixed, stable list of patients, offering great scope to develop private. The successful candidate will inherit a well-maintained patient list. The practice can offer great flexibility in terms of working days/hours. The practice can also support EU / PLVE dentists with mentorship as well as being able to offer Visa Sponsorship if required.

Successful candidates will be GDC registered dentists, have an active dentist performer number, and have experience of providing NHS dental treatment in the UK. For candidates requiring PLVE/ EU Mentoring, candidates will be GDC registered or at least close to being registered.
