Company: West Sussex County Council

Location: West Sussex

Category: other-general

Job overview Are you an inspirational leader with a steadfast commitment to educational excellence? We are seeking to appoint an outstanding individual to join our cohesive and collaborative leadership team. The successful candidate will fulfil a pivotal role in shaping and leading the next stages of continuous improvement at Oathall. Oathall is an ambitious, forward thinking and growing 11 to 16 community college with 1300 students. The school is characterised by our high expectations and an absolute commitment to raising standards and achievements for all. We are committed to Continuing Professional Learning through a strong training programme for all staff and work closely with our local federation of schools. There is a strong focus, for both students and staff, on personal development and well-being. The recent Ofsted inspection in September 2023 recognised that Oathall continues to be good and identified the many strengths embedded in the school. With a ten form entry joining in September and selection for the DFE rebuild programme, there are exciting prospects ahead as the school continues its strategic direction to outstanding. We encourage prospective applicants to visit the school and see us in action.
