Company: Carnival UK

Location: United Kingdom

Category: arts-design-entertainment-sports-and-media

Deputy Production Technician - Sound Recognised throughout the world for our elegance, style and service excellence, we have the opportunity for you to work on our iconic Cunard ships.

We are offering an exciting opportunity for *Deputy Production Technician - Sound* to join our teams onboard.

Join us and begin your new career with Cunard. Supporting the Assistant Manager Production, you'll ensure the effective delivery of the ships sound systems and events, providing support to the success of the entertainment production.

You'll assist with the provision of technical support for shows, activities, talks and other events whilst ensuring all work is carried out safely. Key Responsibilities of an Deputy Production Technician - Sound: * Carry out maintenance and equipment records* Assist with the provision of technical support* Set-up of technical equipment * Assist with the regular loading and off-loading of entertainment items to and from the ship The following experiences are desirable: * Relevant industry qualification in Sound or relevant work experience* Proven experience working within a live theatre environment* Experience working in large venues * Basic operational and set-up knowledge of Audio Visual equipment* Good knowledge of Health & Safety within Production It takes great passion and real dedication to maintain our position at the top.

That's why people are at the heart of our journey delivering the highest standards to our valued customers.

With support to help you reach your potential and attractive company benefits.

Join us on our journey, apply now. We are working hard to build a flexible and inclusive culture.

As part of our culture difference is valued and our people can be themselves.

We welcome applications from everyone because inclusivity is at the heart of everything we do.

We do not discriminate on the basis of age, disability, gender, race, religion or belief, sexual orientation, marriage & civil partnership and pregnancy & maternity. During the recruitment and on boarding process we may not be able to offer an exact start date, but as soon as we do we will let you know and make sure you have plenty of notice and support to get ready for your adventure with us. Carnival UK require all crew, joining any of our vessels, to be fully vaccinated with a primary series of any WHO approved COVID-19 vaccination as a minimum to ensure you continue to have the best protection against COVID-19, and to protect those around you.

COVID-19 vaccines and boosters are proven to be effective at reducing the risk of infection, serious illness, hospitalisation and death from COVID-19 therefore we highly recommend that all crew are fully up to date with all available COVID-19 boosters when eligible.

We will continue to offer COVID-19 booster programmes on board, and during your time on board it will be mandatory for you to attend these clinics to receive a booster vaccination or formally record your refusal of the booster in your medical records.

Please note, for all crew who are planned to join a ship visiting Australia during their contract, they are required to be fully vaccinated with a primary series and a WHO Approved booster (preferably MRNA) prior to joining the ship. We are unable to progress any applications from individuals who will not be fully vaccinated, 14 days prior to joining a ship, at this time and welcome future applications should your vaccination status change.
