Category: other-general

Design Integration Lead Engineer & Project Control - 37354 - £32.48/hr umbrella rate

Do you have design integration experience, and are you seeking a new contract job in Wolverhampton? Jonathan Lee Recruitment is helping a collaborative company recruit a Design Integration Lead Engineer & Project Control, and the role comes with a umbrella contract rate of £32.48 per hour (Inside IR35). The role will be 3 days on site with occasional travel to other sites.

As a Design Integration Lead Engineer & Project Control, you will be responsible for delivering project and programme commissions, at a scale of a cell design or line design. The successful candidate will lead the supply of the Design Integration; working closely with Tool Mechanical, Electrical and Controls Design, Simulation, Discrete Event Simulation and Layout.

In your first few weeks in this Design Integration Lead role, you can expect to:

Work with teams to ensure a coordinated delivery of projects, coordinating the system design with the customer requirements, from project concept to project installation and handover

Draw from previous experiences within one or more of the design and integration delivery areas (design, simulation, layouts, installation, commissioning)

Lead cross-functional teams to deliver to customer requirements

Focus on delivery, lessons learnt, standards and processes development.

To apply for this Design Integration Lead Engineer & Project Control role, your soft skills, expertise and experience should include:

Resilience in a pressured environment

Programme/project planning skills

Working knowledge of assembly and part locator strategy requirements

3D tool design skills from concept, through detail to detail and delivery.

Deep knowledge of 2D Manufacturing (Detailed) Drawing and BoM, Buy Offs and Handover.

Working knowledge of Assembly Tooling Standards.

Don't hesitate to get in touch with Jonathan Lee Recruitment today to apply for this contract Design Integration Lead Engineer & Project Control position in Wolverhampton. We're looking forward to meeting you.

Your CV will be forwarded to Jonathan Lee Recruitment, a leading engineering and manufacturing recruitment consultancy established in 1978. The services advertised by Jonathan Lee Recruitment are those of an Employment Agency.

In order for your CV to be processed effectively, please ensure your name, email address, phone number and location (post code OR town OR county, as a minimum) are included
